This Plan was designed for those who prefer buying the Self-Help Guide Books—in bulk—at low distributor-discounted prices and then selling the books for **profit** at the **retail price** of \$9.95 each. **3 ways** for you to make **money**. **1st: Retail**—We start you out with a **114 guide book inventory** valued at **\$1,134.30**—your gross profits—after you sell the 114 guide books at \$9.95 each. The **larger** your bulk-quantity book purchase—the **greater** your discount—the **greater** your profits! **2nd: 30% Commissions**—Optional! For customers/dealers desiring more books than what's in your inventory; (A)direct them to WWW.QUITDRUGS.COM. There they **PLACE The Order**, keying in your **ID (LD137-##)**, when prompted, crediting you with the sale. Or (B)you may write up the order on the **License Distributor Kit Plan Invoice** (triplicate form) that's provided. Your customers/dealers may choose from **1 of 9** bulk-book quantities (10, 100, 1000, etc.) and receive the corresponding discounts. Example: Customer wants 1,000 books. That's \$3.09 per book. Customer pays (1,000 x \$3.09) \$3,090. You then mail us a copy of the completed form with your customer's pertinent information, along with their check or money order for \$3,090, or credit card info. You'll receive **\$927**—a **30%** commission for this type of sale. You also receive **30% commissions** from all sales generated through your *web-based* or *email-based* **affiliate link**, and through **brochures & flyers** that's embedded with your Distributor License Number. We drop-ship books direct to your customers. **3rd: 10% Commissions**—Anyone who **CLICKS** your affiliate link and *completes* the **3-Step Distributor SIGNUP** at WWW.QUITDRUGS.COM, will become your **sub-affiliate/Level-1 down-line Distributor**.
