ABRIDGED BIOGRAPHY

On February 26, 1952, Clarence and Ethel Dixon, became the proud parents of their first child—Ervin Dixon. Ervin seemed to be a *natural-born leader* who was very competitive—choosing to wrestle and run track in high school. At 16, Ervin Dixon was *saved* and *filled* with the Holy Ghost, and *called* to the ministry, according to *Romans 10:9-10*, *Acts 2:1-4* and *Ephesians 4:11-12*, respectively. As a fiery evangelist, many people have been *saved*, *healed* and *delivered* from all sorts of bondages through the years. At about 17 years of age, Rev. Dixon personally led one of his co-workers to Christ. Some of his high school class-mates received the Holy Ghost after he prayed and laid hands on them. Years later, a woman was *healed* from a deadly heart condition she had for over 20 years, in Kewanee, Illinois. Two young ladies that were *addicted* to drugs, were both *saved* and became *drug-free*, in a revival in Peoria, Illinois. A young man bound by suicide demons was totally *set free*, in St. Louis, Missouri. A large group of people bound by addictions, were totally *set free*, in a **Freedom From Drugs Through Jesus Conference Crusade**, held at Detroit, Michigan's Cobo Hall, in 1999. A man in a bowed-over condition was immediately *healed* and was able to stand up straight after hearing a *word of knowledge* from Rev. Dixon, who was invited to preach that Easter Sunday—on April 7, 2000, at Northend Church of God In Christ, in Detroit, Michigan.

In 1985, God directed Rev. Dixon to *preach* the GOSPEL on TCI GOSPEL TV-62/WGPR-Detroit. Thousands—internationally—heard that Jesus *loved* them. Many *repented* and became *Christians*. Some years later, Rev. Dixon also *preached* the gospel on radio and under the new tent that he had purchased—while still responding to the many pastors who call upon him to minister at their churches.

In 1989, God gave Rev. Dixon a vision about the tragedies of drug addiction. Rev. Dixon States, “*God placed me in a theatre—alone—and there I saw scene after scene of unthinkable human destruction and despair. I saw drug turf-battles that left young men slain—laying in the street—with their blood flowing into the gutter that was nearby. I saw mothers leaving their babies on strangers’ door steps and just walk away. I saw men who were fathers cash their pay checks on Friday and go directly to the crack-house and spend every cent on drugs. They didn’t even have milk money for their children. I sat horrified in that theatre as many more scenes were shown to me. Then after the last scene, I heard a voice above me saying, ‘Enough is enough!’ And then I was inundated—my mind and soul were flooded with words of HOPE, LIFE, DELIVERANCE, RESTORATION and WONDERFUL CHANGE for every scene I had just saw.*” These words continued to come to Rev. Dixon. They never **STOPPED** flowing into him—all night while he slept—all day during every task—it was a dilemma! After a few days of this, he casually mentioned to his wife—that “*God is speaking to me and He won’t STOP!*” His wife responds back to him—“*Why don’t you write it down?*” And that is exactly what Rev. Dixon did. And that is how the book, **I’M FREE**, came to be written.

At present, Rev. Dixon stands ready to *serve* the Body Of Christ—as your **EVANGELIST**. Please **PRAY** and **ASK** God to see if this is the **TIME** for you to request Rev. Dixon for ministry at your church or function. For 40 years, Mrs. Dixon—a Christian counselor—has co-labored with her husband in the ministry.
